♥ **HAVE YOU HEARD THIS STORY?** After trying to put what he thought was a simple toy together on Christmas Eve for his daughter, a father sat back tired and in defeat. He wondered if he would be able to get it together in time for Christmas morning. While thinking about his dilemma, he got a call from his father and told him all about his struggles. His dad simply asked, "Have you found any instructions? What do they suggest?" After the call, he found and read the manufacturer's instructions. He was amazed. The toy went together in almost no time. It made him think about how he was living his life's story. Was he paying attention to his heavenly father's instructions? Did he see the world the way his Creator designed it? Did his relationships please his Maker? Before sleeping that night, he prayed for

God to help him learn more from life's best "spiritual instruction manual", His Word.
