

## Why Discover Love ↔ Links?

**A “Good Life” is all about love!** Movies, music, advertisements, Facebook, conversations – anywhere you turn - people are talking about love and wanting to be loved. **Advice about love is everywhere!** So why is it so hard to understand how to build your life around loving and being loved? Loving is a choice, so you need to master how you choose. Love is not, however, about comparing. **We too often listen to “what others say about love” instead of our Designer.** We believe what they say rather than learn from the *Source and Author of love*. What we need to hear is the TRUTH about love.

**What’s in it for you?** Love-Links is a fun way to help you build your life around love. It can free you from the habit of constant comparison to others to feel good about yourself. Love-Links can help you tell the difference between what is true and what is a lie about love. *If you have the courage to face truth, or are curious about just how unique you are, or find yourself desperate to “put your life together” around something solid, Love-Links can help!* Love-Links can help you regain control of your life!

**Learn to master love in your life.** Build better relationships and restore broken ones. Keep your job or find a better one. Build a healthy family. Make life-long friendships. Better cope with life’s problems. Find focus and purpose each day. **If you took the simple test, you are on your way to discover how you can learn to be a better lover.** What truths about love do you have right? What lies about love have you mistakenly believed? *Once you have mapped your beliefs about love with Love-Links, you will be able to use its simple truths and formulas to cope with your difficulties as well as reach your life goals.* Love-Links can help you learn and develop nine positive qualities for your life. **Check these out!** Each one is linked to ACTIONS that you can take to make love the center of your life.
